Some are based on personal experiences, while others are based on PPrabasir me. Bangladesh Online Media Association BOMA awarded NTV Online as the best online portal in Bangladesh for being popular in home and abroad. Books, of course, are the main element of the writing and publishing trade, but the milieu and the discussions they generate are the actual means by which one can measure their contribution to society.

Mahrukh Mohiuddin has highlighted, in given to Daily Star Books, the poor response that UPL itself receives from global audiences when its books are sent abroad. It was very difficult for him to bring so many books. It is, I think, worth remembering that in several abolitionist countries, capital punishment had fallen out of use long before it was abolished in law, and public opinion had become accustomed to the idea of abolition gradually.

Mohiuddin Ahmed and the industry he pioneered

I was working with a very modest budget.
