**Kinetic Architecture: William Zuk, Roger H. Clark: tools.github.ffxiv.cn: Books**

Al Bahr Towers: For the design of the two 25-floor office buildings in the arid climate of Abu Dhabi, The Aedas studio was recruited.

**Kinetic Architecture: Dynamic Buildings That Will Move You**

Here you'll gain new insights into the principles and possibilities of dynamic self-erecting structures such as the United States pavilion in Osaka, Japan. A lecture hall would role out to accommodate a larger crowd but remain compressed for smaller events. The architect designed the pavilion with a movable, 217-foot wingspan that opens by day and folds over the building at night or during bad weather.
