### **Job Seekers Guide to Making A Good Impression**

You can also hold an actual mock interview by having a friend or family member field common interview questions your way so you can develop your responses.

### **Guide to Writing Cover Letters for Legal Professionals**

Best of all, each step of the process is supported by specific exercises that job seekers should complete before heading into their next interview, making this a practical workbook. This Guide explains why and how to do that. Job seekers who don't understand networking have a serious handicap in their job search.

### **The Job**

Use short paragraphs to emphasize your main points. Green Connecting government, business, and community leaders in the Sacramento region with clean technology and sustainability programs and
