Social Insurance Numbers could be used to identify individuals, however, the Income Tax Act makes it an offence to use a Social Insurance Number for any purpose other than that for which it was provided and federal government policy requires any use of a Social Insurance Number to be authorized by statute or regulation. Notice of compliance 8 Within ten days after the offeror complies with subsection 5 or subsection 7 , as the case may be, the offeror shall give notice of the date of such compliance to all dissenting offerees.

Time of declaration 2 In the case of a proposed contract, the declaration required by this section shall be made at the meeting of the directors at which the question of entering into the contract is first taken into consideration or, if the director is not at the date of that meeting interested in the proposed contract, at the next meeting of the directors held after he or she becomes so interested, and, in a case where the director becomes interested in a contract after it is made, the declaration shall be made at the first meeting of the directors held after he or she becomes so interested. Application to court 4 An interested person may apply to the court for an order declaring an auditor to be disqualified under this section and the office of auditor to be vacant. Canadian courts have also held that a reproduction of a signature sent by facsimile satisfied the requirement of a

signed document under corporation law.
