La plus célèbre peinture de Salvador Dalí est La Persistance de la Mémoire et à ce jour, avec son paysage frappant de pendules qui fondent, elle reste une œuvre surréaliste reconnaissable immédiatement, même par celles et ceux ayant une connaissance limitée en art. Artists such as Max Ernst and his surrealist collages demonstrate this shift to a more modern art form that also comments on society. A estrutura da tese é composta por três partes: 1 Cinema, uma forma que pensa; 2 Montagem, essa bela inquietação e 3 Nem arte, nem técnica: um mistério.
