African Journal of Political Science and International Relations

India: Intergovernmental Fiscal Relations in a Planned Economy.

Patterns of Giving in South Africa

Attention is paid to legacies of the colonial encounter; the constraints and opportunities presented by African countries' positions in the global economy; the political economy of industrialisation and agrarian transformation, resource mobilisation; trade diversification; institutional reforms and state capacity. Collier, Paul — Gunning, Jan Willem, eds 1999 : Trade Shocks in Developing Countries. Economic Reform and the Budget.

Patterns of Giving in South Africa

Chapter Eleven— The Unofficial Lives 5. Setting research priorities Setting research priorities for oriented or directed basic research was thus a critical responsibility for research managers and leaders.

State

The second in the early 1800s saw the addition of research to the teaching function, as seen in Berlin and known as the Humboldtian revolution. Samuel Paul, Managing Development: The Lessons of Success Boulder: Westview, 1982 , pp.
