Kandy, Sri Lanka: The Wheel Publication no. Emphasis will be placed on: the respective emphases of Confucianism, Daoism, and Chinese Buddhism, with consideration of the way in which these emphases have been synthesized and conjoined in more recent Chinese philosophy. When anthropomorphically considered, the world is represented as being in a condition of eternal frustration, as it endlessly strives for nothing in particular, and as it goes essentially nowhere.

***Schopenhauer, Arthur**

Compassion in Schopenhauer and Santideva.

Just one more leap of the imagination could lead you to accept that you have a connection to other beings too.

Arthur Schopenhauer (Stanford Encyclopedia of Philosophy)

. Conversely, if we begin by choosing a certain kind of object to explain, we are obliged to use the style of reasoning associated with that kind of object. Nanajivako thinks that Schopenhauer is comparable in certain areas to Theravadin Buddhism and in others to Tibetan Mahayana.
