## Drowning Ruth

The book centers around Amanda, a nurse who travels home to her family homestead in Wisconsin after she suffers several breakdowns while treating wounded soldiers. Those with arms held them out.

### 'Drowning Ruth' by Christina Schwarz

Her sister drowns in a lake by their house off an island, and she raises her niece, Ruth on their family farm. I didn't really care what happened to them, and didn't really care if there was a happy ending or not. To view it, My mother gave me this book.

### Drowning Ruth by Christina Schwarz: Summary and reviews

I simply cannot tell you enough about this book. . Was this review jumpy and confusing? Then there are books like this one.

### Research Paper on Drowning Ruth

Some of the negative reviews for this novel cited the use of both first and third person as their main reason for disliking the format of the story. Amanda, the main character, oh, you just want her to drown from the very beginning. Drowning Ruth is a complex and rewarding debut.
