## 16 Amazing Secret Spots In London

Their lifespan seems to have been relatively brief and the exact reasons for their collapse remain as mysterious as much of their activity. Call the Granada for details.

### London's hidden gems

But the Metropolitan Railway also wanted in, first building a station in Belmont Road in 1904 and later moving to Uxbridge High Street, the current station, in 1938. Charles Dickens Museum Take the Charles Dickens Museum, for example.

### Secret London: The Hidden Waterloo Station Street Art Tunnel

Secret London — An unusual guide is the original and still the best of all the many alternative London guides: accept no imitation. The abandoned station now used as a Tube driver cafe Although South Harrow Tube stop still exists, the station has moved and abandoned its original place on the District Line to serve modern day Piccadilly Line commuters. Number 10 Adam Street, Near The Strand If you really want to impress your friends back home why not take a selfie in front of Number 10 Downing street? It actually still burns methane from the sewers, but with a little extra non-fecally produced gas to keep it regular.

### Secret London. A guide to those unusual, unseen and undiscovered parts of London.

At no cost to you, I earn a small commission when you click on them and make a purchase.

## 4 Secret Societies That Operated In The Shadows Of London

Secret London is a group started by 21-year-old graduate, Tiffany Philippou, on 19 January 2010 in response to a competition. Tracks were lifted in 1965, with the platform following soon after.

### Secret Tours London

Just as the art in the Waterloo tunnel is always evolving, these spaces create a location that is more than a one-time visit. Uxbridge Road station closed its doors on October 21, 1940 during World War II, when the West London Line was put out of service during the Blitz.

### **Secret things to do in London**

Call 0300 0612000 or email at least one week in advance to book a tour; Admission charges apply. Another group of 1,000 students was meanwhile in Trafalgar Square, their protest turning into a battle against a force of 400 police, many on horseback.
