Criminal Procedure & Sentencing

Offence proved s25 2 16 The offence is proved in the absence of the defendant, ex parte, and under s25 2 Crimes Sentencing Procedures Act 1999 the court may issue a warrant to arrest the offender and bring them to court. The defence should also give notice that they will be seeking to advance special reasons.

Reading a Criminal record

Offence specific guidelines refer to three sentencing levels within the community order band based on offence seriousness low, medium and high. Prosecutors should consider whether there might be sufficient evidence to infer gain in return for assistance in facilitating a breach of immigration law by those who then may go on to falsely claim asylum. Arrangements for the selection and engagement of appropriately qualified interpreters can be found in the Revised Agreement on the Arrangements for the Attendance of Interpreters in Investigations and Proceedings within the Criminal Justice System.

Sentencing Act 2020

Effect of reopening a proceeding under section 104B.

Possible outcomes for criminal offences

An Order can only be made if a defendant has been convicted of a trafficking or slavery offence, the court is satisfied that there is a risk the defendant may commit further offences and it is necessary to protect others from harm.

SENTENCING ACT 1991

Examples include cannabis cultivation, organised street crime and begging.
