## WASHINGTON STATE

Hazardous chemical means any chemical which is a physical hazard or a health hazard. The records or copies need to be accessible to the licensor during an on-site visit, whether that is electronically or by sending the licensor to a second location, other than the early learning program, to view the documents.

## NASD

Environmental tobacco smoke in office work environments -- Scope and application. This may be a date that feedback was provided and could also include feedback notes and other documentation.

## Novel Coronavirus (COVID)

Some definitions relating to portable wood ladders have been moved to and 296-24-370.

## Logging eTool

For example, if an appeal is received on Friday, the 30 days will begin on the following Monday unless it is a state holiday. Inexperienced workers must not be allowed to fall timber, buck logs or windfalls unless working under the direct supervision of an experienced cutter.

## NASD

This section has been repealed.
