The last content update to the GGC Medicines Adult Therapeutics Handbook was on 21. Jean Louise is an extremely dedicated Rolf Practitioner who is excited to share her wealth of knowledge through her handbook.

### Herbal Medicine from the Heart of the Earth

A daily dose is 2 to 3 cups.

I began sessions because I was experiencing debilitating, chronic knee pain that required weekly sessions in order to walk. Structural Integration has redefined my entire baseline quality of life. It has not returned in any capacity, even without regular sessions! After one session of Structural Integration however, I noticed a radical change for the better, and after three sessions, the problem had been eliminated completely.

The excellent care she gives is matched by her in-depth knowledge of meditation, nutrition, and cutting-edge therapeutic technologies. I would highly recommend this book to anyone interested in the topic of Structural Integration. You can also prepare a strong tincture from the roots at home.

Practitioners will benefit from her detailed illustrations and wealth of experience in this growing field of practical medicine. I also think that if I had this work earlier in my life, many injuries could have been prevented. She has also included a section called Support Tools that can help me maintain the benefits of our work together.
