## 10 Tips for Reaching Your Struggling Learner

When I taught, I would introduce about five words in this manner on Monday, and review them each day of the week. It can also be a great way to gather consistent formative assessment data, allowing us to reteach before more gaps occur.

### What Helps At

Be sure to do the Pre-Reading of tricky words first, whichever level of reader you are using. The task of differentiating instruction for can be difficult to manage at the secondary level. Principals and district administrators participate in regular classroom walkthroughs and know their reading programs intimately.

### Reading success for struggling adolescent learners.

The percentage of Chipman students reading below grade level dropped from nearly 50 percent to 38 percent over two school years. Nia, I think you will find a the best way to teach a child, especially one that needs a little more time to be successful. But teachers can put some of these strategies into practice for teens with reading difficulties regardless of whether a school formally signs on with Reading Styles and receives its training and materials.

### Effective Reading Interventions for Kids with Learning Disabilities

If this information isn't readily available, you should plan to collect it yourself.
