Dealing with the issue entails tackling the problems faced by the principal food producers, which are the rural smallholder farmers. The recent military actions against the armed militias in the Delta might succeed in bringing oil exports just over the two million bpd mark, where it has stood for decades.

At the end of this obstacle course, Ghana has emerged, according to Gyimah-Boadi, as a beacon of hope for democracy in Africa. That talk is also available on my webpage at The Brookings Institution.

Economic Transformation and Developmental Governance in Nigeria: The Promise of the Obama Era

When a country possesses the extensive human and capital resources that Nigeria does and its poverty rate has doubled from 1980 to 2005, there is something profoundly wrong about the conduct of its economic affairs. READ as many books as you like Personal use. This paper examines the realities of the Lagos urban development policies and initiatives on the livelihoods of the urban poor.

Whatever the task to be performed, a toll-gate can be introduced that obliges individuals to pay to have it lifted.

Nigeria Overview

I direct you to the last section of my book published two decades ago, Democracy and Prebendal Politics: The Rise and Fall of the Second Republic, entitled 'The Crisis of Nigerian Democracy'.

Socio

Toyin Falola presents statistical data on Nigeria's economy that illustrate the nature of the changes made throughout the mid-20th century. Often they won't know that's what they are doing, but there it is.
