

Experimental study of comprehension in reading - with special reference to the reading of directions

Teachers College, Columbia University - CiteSeerX — Citation Query Lexical inferencing procedures or talking about words: Receptive procedures in foreign language learning with special reference to English.

Conjunctions

1. The old man fell down ... broke his leg. Choose the right option:
a) after
b) and
c) but
d) none of the above

Main ideas

1. A female python can lay almost 100 eggs. A ring snake lays only one egg. Many species of snakes leave the eggs that they have laid, but the cobra remains curled up on the eggs until they hatch. Some snakes give birth to their young alive. They carry the unborn young in their body. When they are born, the mother leaves them immediately and lets them take care of themselves. The first thing these young snakes do is shake their skin off.

Which sentence best describes what the whole story is about?
a) Many snakes lay eggs.
b) Hatching snake eggs.
c) How snakes reproduce.
d) Let young snakes take care of themselves.

Doctoral Dissertations in Pedagogy and Education granted by the University of Chicago 1900

Poor readers, on the other hand, focus on details at the expense of missing main ideas.

Reading in a Foreign Language: April 2008: Research on good and poor reader characteristics: Implications for L2 reading research in China

As in good L1 readers, a knowledge of discourse organization contributes positively to reading comprehension in the L2 context. At this point, they will also be able to take advantage of being conceptually well-developed adults and make full use of the cognitive and metacognitive strategies already acquired in their L1 to compensate for the possible deficiencies in their L2 and to achieve maximum comprehension in their reading. As is discussed elsewhere in this paper, this is somewhat misleading.

The Effect of Neuro

La Belle, UCLA Press, 1973. Then the benefits of extensive reading for developing reading fluency will be reviewed and a research agenda will be proposed. English for Specific Purposes, 20 4 , 367-386.
