Alcan Highway (Alaska)

Our Lady of the Way Catholic Mission was built in 1943 using an abandoned U. In 1929, the British Columbia government proposed a highway to Alaska to encourage economic development and tourism. In Alaska, the Alaska Highway meets with the Taylor Highway which heads north towards Chicken, Eagle and Dawson City at Tetlin Junction and ends at Delta Junction, where you can continue on the Richardson Highway west towards Fairbanks or south towards Glennallen.

Alaska Road & Highway Maps

Following the troops came the civilian contractors, 77 of them: 62 American and 15 Canadian firms employed 12,000 men to bring the road up to standard by late 1943.

Alcan Highway (Alaska)

Wife and I just returned from an 18 day trip to and over the complete Alaska Highway! Dawson Creek BC to Delta Junction AK — 1,387 miles. Iconic and formidable, with its own monument to boot, the Alaska Highway is an engineering marvel, an historic journey, and your most direct gateway to the Alaska. The Alaska Highway was built for military purposes and its route was not ideal for postwar development of northern Canada.

Marine Highway Fares

Sites offered are serviced or not serviced including pull throughs with power. Military during The Alaska Highway construction. The peaks have eroded to a small fraction of their original size.

Everything You Need To Know Before Attempting The Alcan Highway

This took place on April 1, 1946, when the U. Visit for the most recent ID requirements. We stopped a lot to take photos, but often I had to snap the mountains from our picture window on our bus.
