## Case Summaries

In the settlement, the parties did not agree that the YPS was entitled to a court declaration of unitary status, but rather that the YPS was unitary with respect to the six Green factors and that disputed issues regarding vestiges were resolved by the educational programs and funding provided under the settlement. The Section contended that the district's proposal would not further desegregation of the district's schools, would not afford black students equal educational opportunities, and would impose disproportionate transportation burdens on black students.
