You may also enter an additional message that will be also included in the e-mail. We then received an email saying it was Expedias fault, some problem with their website and to contact them. Strongly recommend staying here, especially if in Palmy for a function or conference.

### From pre

### Colonial homes of Palmerston North (Book, 1975) [tools.github.ffxiv.cn]

It was lovely and cool when we arrived thankfully as it was stinky hot. Strongly recommend staying here, especially if in Palmy for a function or conference.

### From pre

Beyond the clearing lay dense tōtara forest, lagoons, streams and harakeke swamp. The room was very spacious, kitchen unit with lounge, two couches and table and chairs.

Rooms were fine n the bed very comfy. Visitors with green fingers should visit the Dugald McKenzie Rose Gardens in the Victoria Esplanade. We did this and were informed there was no problem with their website and they would endeavour to sort this out with the motel.
