Subsequently, Yanagita also visited the area, riding on horseback through the villages.

**Tahno**

Morse has produced a beautiful book that captures the true spirit of Tono's traditional culture. Tōno Monogatari es una de las obras clave del siglo XX para conocer la etnología japonesa. Outside of his bending abilities, he also has considerable musical skills, as he is capable of playing the trombone to a level fitting of playing in a band and entertaining wedding guests.

**Tono**

In the finale, Mizuki meets Yanagita himself and they sit down to discuss their works.
