### How to Drop Out of Society: 12 Steps (with Pictures)

I will be much better off if I can just leave, get my GED, and start working. Living without electricity is one of the most challenging aspects of dropping out of society. A GED General Education Development , often referred to a high school-equivalency degree, is an exam that you can take to show employers that you have the education of someone with a high school diploma without having to go to school.

### The Dropout Podcast

By rising out instead of dropping out, you gain the advantage of being able to earn your high school diploma on more of your own terms.
