Scholarly Articles

Although there is need for much more experiment, it seems safe to conclude that divorce by mutual consent, the institution of trial marriage, greater freedom in sexual relationships and other changes not involving dysgenic effects or loss of social purposefulness, ought to be socially recognized.

ISAR

Such figures indicated that even within two generations there would be a disastrous lowering of the national standard of intelligence.

Scholarly Articles

Suffragist and feminist Alice Paul, who was instrumental in adding the Nineteenth Amendment to the U. When archaeologists talk about one culture replacing another in the archaeological record, that replacement was, almost certainly, not a nice process.

It seems appropriate to note at this point that one of the tactics used by those who oppose our cause is to rely heavily on our anger, in the hope that this anger will sidetrack us from our goal. I note that you have not succeeded in obtaining a publisher for this book and that you suggest that the Eugenics Society might agree to assisting in this publication. The gathering of the physical measurements, finger prints, etc.

By Geography

The Canadian Senate scarcely competes with the Edmonton Oilers for popularity but the excellent quality of its committee work is universally attested. Once this state of heightened awareness has been attained, the effectiveness of the hypnosis is contingent upon the particular treatment strategies that are used and the willingness of the client to accept the intervention. The decision on where the United States embassy is located should not be portrayed as a test of the measure of one's support for Israel.

First North American NGO Symposium on the Question of Palestine (New York, 25

Parents may not have money to pay for such vaccinations or the ability to leave work to take their children for immunizations.

First North American NGO Symposium on the Question of Palestine (New York, 25

The misteaching of academic discourses the politics of language in the classroom

ISAR

However, no matter what the result in court, we strongly believe that it is valuable to publicize as widely as possible the issues and facts that the case has brought into the public record.
