## THE LIFE OF A MONARCH BUTTERFLY 9780325027692

In contrast, nonmigratory monarchs found in , southern , , and Hawaii have smaller bodies and smaller forewings. DiscoverBooks is committed to Letting The Stories Live On by supporting schools and literacy efforts and by diverting discarded books from landfills. The opportunity for students to interact with a park ranger, who is an expert on the monarch butterfly AND loves to connect with students and answer questions AND honor student expertise is a powerful learning experience for young scientists! For some reason I felt that the butterfly was a sign.
