So she supported the founding of a Jewish homeland in Palestine as part of a binational Jewish-Palestinian federation.

**Secret Reports on Nazi Germany**

V Wolin and Lilla leave us with unsettling questions not only about the astonishing gap that sometimes opens between philosophical brilliance and political stupidity, but also about the role of philosophy in the culture of liberal democracies. For four years during the 1920s, Jonas had studied philosophy under Heidegger at the University. Instead, to state the obvious, the truth of the matter lies somewhere between these two extremes.
