### 7 Ways to Help Your Child With ADHD Make (and Keep) Friends

**Good Friends are Hard to Find: Help Your Child Find, Make and Keep Friends by Fred Frankel**

In RD Parke and GW Ladd eds , Family-Peer Relationships: Modes of Linkage. But I have also lost enough to understand that friendships are difficult, and the closer they are the more difficult they become. What did these sage mothers say? We all want what is best for our daughters and want to do our part in helping them become happy and confident.

**Good friends are hard to find : help your child find, make, and keep friends (Book, 1996) [tools.github.ffxiv.cn]**

Does your child need more opportunities to practice? Many people are shy, and are often simply born that way. For these particular situations, Frankel states that conventional therapy does not work and, based on research, one-on-one play dates are the best solution. I am fortunate to be able to claim at least four friends, of both genders, who stretch back nearly 40 years, and a number of other more recent ones that are close and durable.
