But the two forms, in Deuteronomy 5 and Exodus 20, are in the sources D and P respectively, and their language is so characteristic of D that there seems little reason to believe that they are any older than the seventh century bce. Shortly after the re-establishment of sovereignty for Israel, hundreds of thousands of Jews were forced out of the Arab nations in which they had lived in exile for many centuries. Fourth, there are those who would see in the Sinai covenant Moses' achievement in creating a unique politico-religious union centered upon commitment to Yahweh and a new among his fellow Israelites.
