**Christopher Hill · Ancient Exploitation · LRB 4 February 1982**

Leaving Eumenes under siege, Antigonus now marched on the combined forces of Alketas, Domíkos, Attalos and Polemon near Cretopolis in.

**Antigonus I Monophthalmus**

The Roman Empire, or rather its ruling class, swam in wealth. Berkeley and Los Angeles, California: University of California Press.

**The Class Struggle in the Ancient Greek World**

The reason for the trajectory from republic to empire is because the ruling classes were a brotherhood of wolves and their greed and self interest often put their entire society at risk, the rule of an Emperor backed up by an army, restricted them from doing exactly what they liked, thus maintaining the system of exploitation for longer. In other of the book's segments, De Ste. Ironic that the great ignorance and baseness has usually been on the side of those who call others ignorant and base.

**Christopher Hill · LRB**

Croix's magisterial historical materialist history of the Greco-Roman world spans nearly fourteen hundred years of history beginning with the Archaic Age c. As in modern times, democracy was born through struggle on the part of the unpropertied or less propertied. This serfdom on sacred land was probably a residue of forms of serfdom that had earlier been widespread in Asia.

## **Press**

We might extend this to the couple of centuries after the invention of printing: they appear to be centuries of faith because priests controlled the censorship.
