Survival in chaos and war in my home

It will quickly look like something out of a disaster film and sound like the Vietnam War out your window. You do not necessarily need other people to survive although, it does make it easier. There are some considerations to take into account: What is your looking like? When the dust finally settles, and the hectic mayhem subsides, there will be a severely damaged society to cope with.

Could YOU Survive A City In Chaos? King Lessons From The LAPD...

There is also the option not to trust anyone at all. By Will Brendza Last Updated: July 12, 2016 Urban survival scares the hell out of me. If there is a big bad cue ball meth-head living down the hall, you can go ahead and assume you are better off without him.

Download map [Hero Defense & Survival]

Traffic was blocked by abandoned and burning vehicles sending up thick palls of smoke.

Survival Chaos map list

So limiting the amount of exposure to others by hunkering down is a good first step.

Survival in chaos and war in my home

Then, suddenly somebody discovers me, somebody with a female voice, who insults me and then crushes my skull. Avoiding Others — Staying Put Avoiding others will be a real challenge in a dense city, but the easiest way to avoid other people is to stay hidden in your home or apartment. Melee weapons are quieter but less efficient.
