## O'Plaisir des Sens

Everything incl the recommendation of the wine was just amazing. Votre santé et celle de nos collaborateurs reste une priorité. It was intended for this place where we waited for over an hour for the entree although given.

### Plaisir Des Sens

PLAISIR des SENS represents a product with simple but meaningful impact to the human experience. This product looked to fill a need in the market for luxury lubricants and the materials and technology we used echoed high—end, high—fashion materials and VBL. I asked Lydie if she could help with the wine selection and we got 2 small bottles instead of 1 large one, a white and a red, which was a fantastic idea.
