10 Home Office Ideas That Will Make You Want to Work All Day

Colour Schemes Colour schemes can help to make your home feel more coherent, and can be implemented through the colours of the walls and floor, furnishing, appliances, accessories and art. Whether you work from home or have carved out a space for something you love like crafting, reading, or writing, your home office is a place that should inspire the flow of creativity and allow you to get down to business.

Decorating Color Schemes

For my home office I actually used fogged window film on all the windows so I could always have the blinds up. Both look lovely, are good for cleaning the air, and are low maintenance! The wood tiled sideboard keeps the space organized, serving as a storage unit for beauty products and countertop for office supplies. Some good examples of furniture that fit this design theme are options like this and this.

Decorating Color Schemes

This allows enough light to feed the plants in the room and keep them, as well as myself, lively! But minimalist styles are also getting trendy.
