The Complete Encyclopedia of Cricket: Peter Wynne

But, as in the 1760s, the game survived, and a slow recovery began in 1815.

Cricket (Game)

The first reference to cricket being played as an adult sport was in 1611, when two men in Sussex were prosecuted for playing cricket on Sunday instead of going to church.

Cricket (Game)

England 1918—1951 Oxford: Oxford University Press, 1998. Cricket: A History of its Growth and Development.

Cricket (Game)

Derrick's account proves beyond reasonable doubt that the game was being played in Surrey circa 1550, and is the earliest universally accepted reference to the game. The original form of i. However, it did flourish in public fee-paying schools such as and.

History of cricket

A highlight was the victory of Eastern Canada over the Australians in 1975. Though a commercial venture, this team did much to popularise the game in districts which had never previously been visited by high-class cricketers. It arrived in Australia almost as soon as colonisation began in 1788.
