## Why is the nationalist right hallucinating a ‘communist enemy’?

Knight, a founding member of the CPGB, and the mother of Lester Hutchinson, one of the prisoners still in jail in Meerut, India, awaiting trial for treason.

## US companies riddled with members of Chinese Communist Party

Yet the force of black agency is too easily dismissed as impossible or weak in the face of the racism of the era. Lenin taught that the party's strength depends on its indissoluble unity with the masses, on the fact that behind the party follow the people - workers, peasants and intelligentsia.

## Antifa Tied to Communist Revolutionary Groups, Shows Documentary

The epic victory gained through the armed might of the land of the Soviets, through our heroic people, is ascribed in this type of novel, film, and scientific study as being completely due to the strategic genius of Stalin. This tendency took the name the for its principal leaders' pseudonyms.

## Che Guevara's political relevance today

Soviet Stalinism established the structural paradigm of a one-party state ruling over the whole economy, polity, and society—a paradigm that was later implemented in its multiple national variations by countries such as China, Vietnam, and Cuba. We need not give here examples of the loathsome adulation filling this book. One of the main endorsers of Refuse Fascism, Loudon reports, is Bill Ayers, a former leader of the Weather Underground, a communist organization that carried out terrorist attacks in the United States in the 1970s.
