Maldives inaugurates new airport in northernmost atoll

Medhufushi Island Resort est un hôtel calme, au service discret et attentionné. New islands also may appear, beginning as sandbanks or coral gravel heaps at another location of the reef a phenomenon that is known among Maldivians as vodemun dhiyun. Several sandbars have formed alongside Fenfushi and one day they may form another island.

Villa Group Maldives: Villa Group of Companies

Signifiant littéralement « Belle île » en maldivien, l'île est petite et adorable, l'ambiance calme et intime.

Alifu Atoll

Cette île ne manque pas d'avantages dont une longue plage de sable blanc en forme de croissant, et un grand lagon calme et reposant. The nation of Tuvalu, for instance, is a series of isolated atolls in the Pacific.

India, Maldives sign five pacts to boost infrastructure projects in island nation

Together we are now not only combatting marine plastic pollution but piloting solutions for Climate Change and Illegal Fishing. The thin, shallow strip of water between the fringing reef and the island is the lagoon.
