## Friedrich Engels Quotes (Author of The Communist Manifesto)

Public Domain To answer these questions, we need to see Engels not as he was toward the end of his long life, the heavily bearded grand old man of international socialism, but as he was at its beginning. Monogamous marriage comes on the scene as the subjugation of the one sex by the other; it announces a struggle between the sexes unknown throughout the whole previous prehistoric period. Engels' solid contributions to the literary arsenal of scientific socialism include, among other, THE CONDITION OF THE WORKING CLASS IN ENGLAND IN 1844, ORIGIN OF THE FAMILY, PRIVATE PROPERTY AND THE STATE, and ANTI-DHRING.

### 1.1: Biography of Marx by F. Engels (1868)

In order to help supply with an income, Engels returned to work for his father in. Unlike most of Marx's work, it was an accessible account of communist ideology. All this he brushed aside as though it were a cobweb, ignoring it, answering only when extreme necessity compelled him

### Monthly Review

He was also a businessman, journalist and political activist, whose father was an owner of large in Lancashire, England and , now , Germany. The following month, the government expelled Engels and Marx from Belgium. All recorded history hitherto has been a history of class struggle, of the succession of the rule and victory of certain social classes over others.

The wealthy Engels family owned large in Barmen and , both expanding industrial metropoles. But the question was soon settled and shortly before or after his eighteenth birthday the betrothal was formally recognized. Such a critical view constituted a welcome correction to the crude positivism that had infected much of Marxism, and that had been rationalized in official Soviet ideology.
