**Calaméo**

He said that because of the new order by the committee, consumers have to pay K 4,250 per month as a usage charge. Under an agreement signed in 2006 between the Chinese and Burmese governments, China's state-owned China Power Investment CPI corporation, in a joint venture with the Burmese Ministry of Electric Power No. Plans to construct a natural gas-fired power station would be laid down only when the conditions required it.

**Official opening of kengtawng falls hydropower station**

Most of the key articles in the compendium have been taken from recent publications but some date back as far as the 1980s. When I am about to

go to bed at night, I hear the trucks which carry logs traveling on that road. Are there any motorable roads from Meh Pauk village tract to other villages? The Shwe gas project is off the Rakhine coast in blocks A-1 and A-3.

**Nay Pyi Taw Interview: Daw A**

Regarding the land confiscation case that we talked about before.
