Notes: Includes bibliographies and index.  
This edition was published in 1950

Filesize: 58.105 MB

## Exploring Public Speaking

Themes will come to your head. There are some other examples in the Ethics and Language chapters. The few things that are irksome about this book, such as a lack of clickable navigation on the PDF version and the failure to include any reasonable outline examples can easily be remedied with supplemental material.

## President John F. Kennedy: Remarks at Amherst College, October 26, 1963

While this may not be seen as cultural insensitive, these pictures do give a micro aggressive feel to the text.

## Exploring Public Speaking

It contains a fair amount of specialized language, definitions, and concepts.

## Exploring Public Speaking

The chapters follow almost the same sequence and information is as comprehensive making it a relatively easy switch for me.

## Stand up, Speak out: The Practice and Ethics of Public Speaking

Later, he moved to Queens College and then to Hunter after which he retired from teaching — all within the City University of New York. It's also written for a particular, when I actually think for it to be widely accepted it should be written more broadly for other audiences.
