The wallpaper, modeled after the original, was recreated as part of the renovation in the 1980s.

**OCLC Classify**

Year by year new canneries were established, and were success. Left pretty early this morning - on an aircraft that could fly us all the way to Sicily. Thar' ain't no breeze kin scare them when she's aeadin' off th' shore.

**Full text of shack locker [microform] : yarns of the deep sea fishing**

Not only did the king pardon them their crimes, he gave them a bounty to make up for their suffering. The lad, after a moment or two of listening, came to see how he had misled himself.

**Folder Name Content**

The reality is more complex. During the recent whaling season the catch on the British Columbia coast reached nearly 1,000, including all varieties. In the former case the fish are left in the kiln only two or three hours, oak chips and saw-dust being used; in the latter case they are left six to eight hours, and soft wood sawdust is used.

**John Doull, Bookseller, Dartmouth, Nova Scotia**

Weatky Collins— both of thU place.

**The Technology of Wind**

G Gabin, Ellen Gabin, George Gage, Harry Gale, Dr.

## **Quebec Family History Society**

Clearly, this is a place a fisherman could get used to. Very few boats ever get to that point, of course.

### **Full text of fisherman,**

It was rainy, cold and miserable in Camp Springs - glad we left. It would be a great advertisement for Newfoundland if we were in a position to compete with a Newfoundland built vessel and a Newfoundland crew.

---
