Mount Nebo

Did you visit Jordan and drive the King's Highway too or do you have questions? Six tombs have been found hollowed from the natural rock beneath the -covered floor of the church. The noun that means prophet is identical to the Niphal or 'incomplete passive' form of the verb נִבְאָה 'bo' , to come or bring.

JORDAN

The site is most famous for the mosaic floor of the Church of St.

Mount Nebo

Three long archaeological campaigns had previously resulted in the discovery of the Basilica and of a large monastery, which had continued to expand through the 6th century. They were re-used in Byzantine and Islamic buildings and therefore many houses have Mosaics under their floors. The church contains one of the best preserved mosaics of Madaba.
