**Power in movement : social movements and contentious politics in SearchWorks catalog**

A major issue is whether a movement that no longer has a visible media presence can provide a political base for women's policy machinery and for the protection of women's policy gains. In Johanna Kantola and Joyce Outshoorn eds *Changing State Feminism*.

**Power in movement : social movements and contentious politics in SearchWorks catalog**

While women's movements may not be involved in disruptive collective action all the time, they have relied on the mass media to get their message out to broader audiences. Social Movements and Contentious Politics.

. Secure spaces are needed where they can meet and strategize; also essential are cultural resources that can inspire heroic self-sacrifice.

**From Civil Rights to Black Lives Matter**

All of these are considered vital for the occurrence of the protest, and therefore it cannot be put down to social media alone. My grandparents were relatively poor, too, but after a lifetime of sharecropping they purchased a plot of land that we farmed; as a proud, independent couple, they were determined that my siblings and I study. Apart from these expressive manifestations of feminist identity, women's movements may also look upwards and outwards, finding new homes in the multilateral institutions that have promoted gender mainstreaming and electoral quotas and in cyberspace.
