### In Defense of Henry David Thoreau

But I was born an optimist.

### Sources On Environmental Ethics

Turns out quite a lot, according to Aaron James, a professor of philosophy at the University of California, Irvine, and author of the new book. Like many memoirists, Thoreau blurs the lines between his personal story and his authorial persona. The carpenter is absorbed into the hammering; the driver into the driving; the dancer into the dancing and of course, the surfer into the surfing.

### In Defense of Henry David Thoreau

For policymakers, Quakeland should be required reading. The tag cloud allows you accessing even more related research topics and consulting the appropriate bibliographies. Very minimal wear and tear.

### **SIERRA CLUB WETLANDS READER: A LITERARY COMPANION By Sam Wilson \*Mint Condition\***

May be very minimal identifying marks on the inside cover. Most importantly, the writing is vivid, funny, and a fine companion to a stiff, cool drink.
