Traditional Health Practices

One remedy for post-partum illness specified that a particular leaf had to be picked in utmost secrecy or it would lose its effectiveness. This vegetable is also used as traditional medicine and remedy to detox. In Vietnamese Traditional Medicine: A Social History, Michele Thompson argues that indigenous Vietnamese concepts regarding health and the human body helped shape Vietnam's reception of foreign medical ideas and practices, first from China and then from the West.

Vietnamese traditional medicine from a pharmacist's perspective

Death meant loss of all three souls, unconsciousness the loss of two, and various mental or physical disorders the loss of one.

Vietnamese Traditional Medicine: A Social History, Thompson

Numerous herbal remedy stores can be found in Ho Chi Minh City. Most scholars agree that the field began to evolve anywhere from 2,200-2,500 years ago during the Hùng Bàng dynasty.

Vietnamese Traditional Medicine: A Social History, by C. Michele Thompson in: Bijdragen tot de taal

She investigates how Dr Jean-Marie Despiau, a Nguyễn royal medical physician who was French, managed not only to acquire vaccinia from Macao and successfully transport it to Vietnam, but also convince the royal court to accept vaccination in the early 1820s. It relies almost exclusively on tropical plants and animals native to Vietnam. Traditional treatment methods for wind illnesses may be mistaken for abuse because of the dark bruise-like marks resulting from the treatment methods.
