## Neupogen

Transport via a pneumatic tube has not been studied. What are possible side effects of NEUPOGEN ®? Call your healthcare provider or get emergency medical help right away if you have shortness of breath with or without a fever, trouble breathing, or a fast rate of breathing.

## Neupogen (Filgrastim) : advances in oncology and haematology : proceedings of a clinical symposium, ...

If glomerulonephritis is suspected, evaluate for cause. NEUPOGEN ® can cause kidney injury. Exogenous G-CSF increases the number of circulating hematopoietic progenitor cells in a dose-dependent manner.

## Neupogen (filgrastim) dose, indications, adverse effects, interactions... from tools.github.ffxiv.cn

Important Safety Information Do not take NEUPOGEN ® if you have had a serious allergic reaction to human G-CSFs such as filgrastim or pegfilgrastim products.

## Filgrastim (Neupogen)

Neupogen is a man-made form of granulocyte colony-stimulating factor G-CSF. Neupogen is contraindicated in patients with a history of serious allergic reactions to human granulocyte colony-stimulating factors such as filgrastim or pegfilgrastim.

## Daily White Blood Cell Booster

E Check the carton containing the syringe.

## **Neupogen (filgrastim) dose, indications, adverse effects, interactions... from tools.github.ffxiv.cn**

Normally, G-CSF plasma levels are low or undetectable, but in response to bacterial stimuli, the levels are rapidly and markedly elevated.

### **Neupogen**

These reactions can cause a rash over your whole body, shortness of breath, wheezing, dizziness, swelling around your mouth or eyes, fast heart rate, and sweating. Thousand Oaks, CA 91320 U.

### **Filgrastim**

Call your healthcare provider or get emergency medical help right away if you have shortness of breath with or without a fever, trouble breathing, or a fast rate of breathing. Make sure the medicine in the prefilled syringe is clear and colorless. This patient information sheet applies only to approved uses of the drug.
