## Time and Social Theory

Accordingly they never possess that most beautiful and most spontaneous friendship which must be sought solely for itself without any ulterior object.

## Time Matters: On Theory and Method, Abbott

But what does this mean exactly? Developmental theory generally refers to a collection of ideas about how societies can advance toward positive

change.

### **Time**

Alternatively, we might attempt to explain the phenomena of temporal experience without appeal to the notion of the specious present at all see Arstila, 2018.
