## Operation Market Garden

Later in the day, they rounded up about 600 men, mostly the men in the aid stations and those left on the north bank, as well as some pockets of resistance that had been out of radio contact with division headquarters and did not know about the withdrawal.

## Arnhem

The memorial was unveiled in September 2006 in a ceremony that sought to undo the injustice of 1944. Ten of the 164 aircraft involved were shot down around Arnhem for only 13% of supplies reaching British hands.
