## New England Anti

The late Admiral Foote, who served with his accustomed zeal and success on that station, frequently stated it to be his highest aspiration to return to duty there with a squadron composed of small but swift steamers to promote American commerce and to prevent the shipment of slaves. The only really acceptable site was Chiriqui, Smith concluded, because of its relative proximity to the United States, and because of the availability of coal there.

## Slavery and abolition

Not only were they focusing on the racist rhetoric of the Society's members and publications, but some also depicted the Society as proslavery organization. The two opposed groups found common ground in support of repatriation.

## American Slavery, Civil Records

Such have been the views of Colonizationists heretofore. Latrobe, called the Board to order; and the liev, William H. Steele invoked the Divine blessing. William Coppering was re-appointed Secretary of the Board. Marina, American Statesmen on Slavery and the Negro 1971 , pp.
