Markets in Early Medieval Europe: Trading and 'Productive' Sites, 650

During the 11th century, however, feudal life began to change. Victims could go to bed feeling healthy and be dead by morning.

These records also attest to its importance in trade. The journal, which is peer-reviewed, welcomes submissions on all areas of numismatics from ancient to modern, from coins and medals to tokens and paper money. It is at this point that a consideration of the nature of the vessels that engaged in this traffic is in order.
