### Khawf and Khashya (Fear and Reverence)

In this scenario, the first group of soldiers will only perform two rakat for this method of Salat Al-Khawf. However, there is no blame on you if you lay aside your arms because of heavy rain or because you are sick, but you should still be on your guard. Everyone else in the two groups stands and prays a rakah by himself after the Imam has left.

### Station of Al

He can both forgive and punish or destroy. Thereafter, the first group performs the tasleem to conclude their salat. After completing an individual tashahhud, the first group of soldiers should perform the tasleem individually to conclude their salat.

### Salat al

Thereafter, the Imam should lead the second group of soldiers into sujud. The fortunate ran to Him. Turn then thy face in the direction of the Sacred Mosque; wherever ye are, turn your faces in that direction.

### Salat al khawf the fear prayer in islam

Thereafter, both groups of soldiers should then join the Imam in the qiyam of the first rakah. He, the Most High, said: So do not have khawf of them, but rather have khawf of Me if you truly believe.

### Khawf and Khashya (Fear and Reverence)

In this scenario, both rows of soldiers will perform four complete rakat.
