Dense, but brittle, bones is the main symptom of PYCD.

## **7 Things You Didn't Know About Henri Toulouse**

The inability to exercise regularly, due to bone fractures, can then affect weight, cardiovascular fitness, and overall health. Toulouse-Lautrec's mother had high ambitions and, with the aim of her son becoming a fashionable and respected painter, used their family's influence to get him into Bonnat's studio. Additionally, he is

reported to have had genitals.

#### **Henri de Toulouse**

He excelled at depicting people in their working environments, with the color and movement of the gaudy nightlife present but the glamour stripped away. He felt comfortable in the company of those on the margins of society who were otherwise deemed unsavory, such as circus performers, dancers, and prostitutes.

#### **Henri de Toulouse**

He found an affinity between his condition and the moral penury of the prostitute. He took thermal baths at , and his mother consulted doctors in the hope of finding a way to improve her son's growth and development. At this time, he met and.

#### **Who Was Henri de Toulouse**

After Toulouse-Lautrec's death, his mother, Adèle de Toulouse-Lautrec-Monfa, and his art dealer, Maurice Joyant, continued promoting his artwork. The Earthquake cocktail Tremblement de Terre is attributed to Toulouse-Lautrec: a potent mixture containing half absinthe and half in a wine goblet.
