He chose to take his own path, and left Clara.

### J. S. Bach at His Royal Instrument

He has edited the cantata Ach Gott, von Himmel sieh darein, BWV 2, for the Neue Bach-Ausgabe, and the complete organ works of Brahms for G. Music historians believe that Brahms soon fell in love with Clara, though she doesn't seem to have reciprocated his admiration. Kepler also found a formula relating the size of each planet's orb to the length of its orbital period: from inner to outer planets, the ratio of
