### Glorious Revolution of 1688

The foremost significance of the English Bill of Rights, so called because it began as a declaration and ended as a bill enacted into law, probably lies in the symbolism of the name, conveying far more than the document itself actually protects. Nevertheless, the Whigs did manage to declare the suspending power and the maintenance of a standing army in peacetime illegal. Jones, The Revolution of 1688 in England 1973 ; G.

### United Kingdom

. Not since its enactment has an English king or queen held absolute political power.

### Bill of Rights (English) (December 16, 1689)

Between 1688 and 1702 England accumulated more than £14 million of debt, which was financed through the creation of the 1694. The influence of William Penn induced the king to issue on 4 April, 1687, the Declaration of Indulgence, by which liberty of worship was granted to all, and alike.

### The English Revolution (1688)

Edmund Burke, The Significance of the Revolution of 1688—89, 1790 Social and Economic Background 8. Robert Harley, 1st earl of Oxford. Although many of the more restrictive clauses of the act were repealed in 1706, the Act of Settlement asserted a greater degree of parliamentary control over the monarchy than had been obtained since 1649.
