Every year in January, the anniversary of the Roe v. Scale 3 inches equals 100 feet. Without identifying you, I shared your concerns with a great group on Facebook.:.

## Ohio Gazetteer: Maps, Data, Photos for 4,060 locations

The State of Ohio is the grantee of the deed which was duly recorded in the Warren County Recorder's Office and deposited with the Auditor of State in accordance with Section 179, Revised Statutes. In addition to publishing its own journals, the division also provides traditional and digital publishing services to many client scholarly societies and associations.
